CAPTURE YOUR FAMILY'S LEGACY

We all know we won't live forever. Some of our family and friends have gone before us. Can you imagine if you'd had the chance to sit down with your grandfather and hear him relive the day your mom was born or what it was like the day she married your dad? Those are fond memories that can't be captured in a photo. Don't let those precious memories get lost or forgotten! Let Norma Holland and Scott Fitzgerald help you capture them.

News reporter and anchor Norma Holland of 13-WHAM News will spend the afternoon with you and interview you and up to 4 family members or friends in an unforgettable conversation that gets you talking, laughing and reliving all those fond memories. Scott will record everything at his new, state-of-the art ROC VOX studios in Fairport. Your stories will be audio and video recorded for you and your friends or family to keep for generations to come.
